Additionally, a dumpster or POD placed in the street shall: not be more than eighteen (18") inches from the curb; not obstruct driveways of abutting properties; be protected at both ends by a barricade, which after sunset, shall have a flashing yellow light attached to it; or have a reflector or reflective area of not less than thirty-six (36) square inches at each end; may not be utilized where the remaining usable width of the roadway does not allow for the safe passage of motor vehicles around it.
3. A dumpster or POD placed on a public street may not remain for longer than 21 days at any one time and, absent an emergency condition, not more than on three separate occasions in one twelve month period.
4. A dumpster or POD placed off street may remain for 30 days, and, absent an emergency condition, not more than on three separate occasions in one twelve month period.
5. The area around the dumpster or POD shall be kept free of debris and litter; the dumpster into which animal or vegetable waste or material has been dumped or deposited shall be removed or emptied within twenty-four (24) hours; and any dumpster producing or causing noxious, foul or offensive odors shall be immediately removed or cleaned to eliminate the odor.
6. A full dumpster or POD shall be removed from the property within two (2) business days.
